REACH SVHC Compliance Declaration

Subject: Declaration of Compliance with REACH Regulation (EC) No. 1907/2006 – SVHC Candidate List (4 February 2026)

To whom it may concern,

Simco-Ion hereby confirms its compliance with the requirements of the European Union Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), as amended.

With specific reference to Article 33 of REACH regarding Substances of Very High Concern (SVHC), we confirm the following:

- The products supplied by Simcco-Ion have been evaluated against the European Chemicals Agency (ECHA) Candidate List of SVHC, as published on 4 February 2026, consisting of 253 substances**.**
- Based on information obtained from our supply chain and internal product knowledge, Simco-Ion products do not contain any SVHCs listed on the Candidate List dated 4 February 2026 in concentrations exceeding 0.1% weight by weight (w/w) at the article level.
- SIMCO-Ion maintains ongoing communication with its suppliers to ensure continued compliance with REACH requirements and monitors updates to the SVHC Candidate List.
- Should any changes occur that affect the SVHC status of our products, Simco-Ion will take appropriate actions to inform affected customers in accordance with REACH obligations.

This declaration is issued to confirm compliance with current REACH SVHC requirements and is based on the best available information from our supply chain at the time of issuance.
