

**DECLARATION**  
**Poly/Perfluoroalkyl Substance (PFAS)**

June 2023

To the best of our knowledge, Simco-Ion an ITW Company's Technology Group does not intentionally add Per-and Polyfluoroalkyl Substances (PFAS) as a raw material or processing aid in the manufacturing of our products.

This information is based upon information provided to us by the suppliers of raw materials, components, assemblies, and processing aids used to manufacture our products.

Simco-Ion an ITW Company's Technology Group to the best of our abilities, relies on our component, assemblies, and material suppliers to monitor consumer safety and ensure compliance with all international, federal, state, and local regulations of PFAS substances. It is the responsibility of the manufacturer or importer of the material/components to determine consumer safety and ensure compliance with all international, federal, state, and local regulations of PFAS substances.

Sincerely,

Steve Heymann  
Senior Director Technology Development
